Meeting Your Needs with the
Right Talent
at the **Right Time**

STAFFING SOLUTIONS

Today's IT leaders are tasked to do more with less. Many companies face the challenge of achieving operational excellence while attempting to reduce staffing costs. For an IT business unit, this means:

- Need to complete projects on time and under budget
- Need for specialized skills and resources
- Need to staff for scheduled/ unscheduled employee vacancies or special projects

OPTIMIZE, FOCUS AND IMPROVE PERFORMANCE

Will-N-Able staffing solutions help you optimize organizational performance, focus on core competencies, reduce time-to-market, and acquire critical skills by mobilizing the right people, skills and technologies.

CONTRACT

- Flexible, cost effective and low risk method of adding personnel
- Minimize overheads and commitment
- Continue to grow your core business utilizing specialized IT staffing resources

CONTRACT-TO-HIRE

- Option to hire the candidate after an initial contract
- Review the candidate's work performance and on-the-job interpersonal skills prior to making a commitment

DIRECT HIRE

- Cost savings due to minimized advertising, reduced down time and the ability for your staff to focus on their core competencies
- Time savings resulting from extensive pre-qualification of candidates
- Competitive advantage resulting from a larger pool of candidates
- Successful placements and increased retention through our successful methodology of both skill and company culture match

MAKE IT WORK

- Cost efficiencies
- Pre-screened applicants (interviews, reference checks, background checks, drug tests)
- Fill either short term or long term positions stress-free
- National staffing capabilities built on years of networking and proprietary database
- Hire with confidence – leverage our expertise
- Performance guarantee

Success of an organization is directly tied to the caliber of its talent. Whether it's short term or long term, peak workloads, or day-to-day objectives, Will-N-Able gives you the ability to acquire the resources, skill sets and manpower to be flexible, efficient and strikingly effective in your mission.
